شركة بامردوف للديكور
BAMARDOUF DECORATION CO.

Founded by Mr. Mohammed Oboud Bamardouf in 1968, Bamardouf Decoration Company become one of the most respected Decoration and Interior Designers Company in the Kingdom of Saudi Arabia.

From the modest beginnings, Bamardouf Decoration Co, has grown over the years into a significant enterprise with a network across the Kingdom servicing key cities such as Riyadh, Jeddah, Al Khobar, Dammam, Al Hassa, Khamis Mushait and Tabuk.

We continue to offer professional and innovative solutions to interior decoration & ceiling designs with exceptional quality at a very competitive price.

Commitment and dedication have led us to a successful growth and expansion of our products and services which enable us to offer our customers the ultimate choice and creative alternatives to match the style they desire. The experience we have gained means that we have the integrity to give advice which design and execution is best suited to customer's needs and aspiration. All these are accompanied by the selection of quality materials and international brands, backed up by superior finishing techniques using our state-of-the-art- equipments.

*Bamardouf Decoration Co.
is proud to present to you
our BAMA T GRID from
Taiwan and China.*

At BAMARDOUF, the possibilities are endless without compromising quality and budget

Our goal is to deliver unsurpassed satisfaction & appreciation.

Our hope is to earn further recognition & testimony to ours skills.
